*Tailgates for 34-39 will NOT fit a 39 GMC.

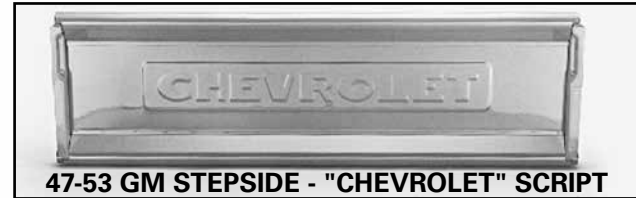

**Tailgates made by MAR-K for the 40 need a 41-53 style hinge with a hinge bushing adapter. See below.

The hinge bushing adapter presses on to a 1941-53 tailgate hinge so that it can be used with the 1940 tailgate and bed sides. Original 1940 hinges are larger than 1941-1953 hinges and are not available.

TAILGATES

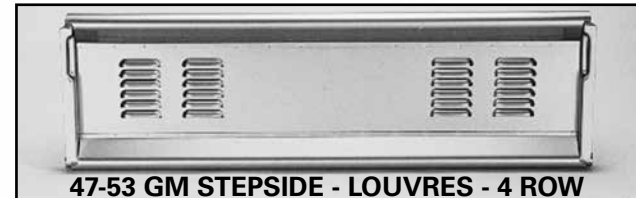

- MAR-K™ makes tailgates in many styles for GM, Ford and Dodge trucks, with the chain latch and no chain latch for custom.
- Attention to detail such as correct steel gage thickness, welded construction like the original, and accurate bends and dimensions result in a tailgate that fits right and looks great!
- Options include custom tailgates without the latch, flush tailgates, tailgates with handle and latch mechanism, tailgates with hidden latches and link assemblies and with louvres and new push button styles. See pages 56-61.
- Tailgates with Chevrolet or GMC script, and bowtie louvred and bowtie embossed tailgates are made by MAR-K™ and are GM Restoration Parts.
- MAR-K™ tailgates are made in Oklahoma City, USA!

LOUVRES - MAR-K™ offers louvres in four (4) rows, seven (7) rows and eight (8) rows. We also offer the "Bowtie" design for Chevrolet pickups. The louvres are 4" wide, and have 6" center spacing (6" measuring from the center of one louvre to the center of the next horizontally). The louvres in the tailgates are made to line up with those in our rear roll pan. See pages 80-81. The louvre patterns are designed to look the best on each given year model of tailgate. This is why the GM tailgate has seven (7) rows, while the wider Ford tailgate has eight (8) rows.

Stamping the GM approved Chevrolet script on a MAR-K™ tailgate.

Parts (in blue on pages 54-55) with the Chevrolet or GMC script or Bowtie emblems including the Embossed and Louvres Bowtie tailgates are GM Restoration Parts made by MAR-K Specialized Mfg., an authorized General Motors Licensee. These are made in Oklahoma City, USA.

TAILGATE PAINT MASKS - This CNC machined aluminum plate is made to mask around the embossed letters in GM tailgates made by MAR-K™. It is an exact match for the GM logo on MAR-K™ tailgates. Simply place the mask over the GM logo to expose only the embossed letters for the perfect painted tailgate. Included are magnetic pieces to mask the center of the "R" & the "O". **Please note this mask should only be used to paint tailgates made by MAR-K™ as it may not match the shapes of GM tailgate letters not stamped by MAR-K™.**

FLUSH TAILGATES FOR GM STEPSIDE AND TAILGATE HINGES

**1955 Chevy Short Stepside
Doug Walt, Houston, TX**

MAR-K™ Flush Smooth Tailgate and Rear Pan

FLUSH TAILGATES FOR GM STEPSIDES

For custom applications on 40-87 GM stepsides, we make a double wall tailgate which is smooth both inside and outside. The appearance is similar to a smooth tailgate with a cover. Same great **MAR-K™** quality as all of our other tailgates. It is available with or without Bowtie embossment on the outer surface and with or without chain latch brackets for GM 54-87. Made in Oklahoma City, USA!

TAILGATE KITS WITH STAINLESS OR STEEL HIDDEN LATCHES AND LINKS FOR 34-87 CHEVROLET AND GMC

MAR-K™ makes complete tailgate kits for GM Stepsides modified to use hidden latches and

link assemblies. The latches are inside the tailgate with only the knob visible on the inside. This tailgate is perfect for those who want the traditional tailgate without the chains, which are noisy and sometimes damage the paint finish. Tailgates are made of 16 gage electrogalvanized steel in Oklahoma City, USA! Included with the tailgate are instructions and a customizing kit to convert stock bed sides to work with the hidden latches and links. **MAR-K's™** bed sides are available with the upgrade to work with these tailgates! To order the upgrade with your bedside order, use part number 102870, order one upgrade per bed side.

TAILGATES HANDLE & LATCH FOR GM STEPSIDE

Made in Oklahoma City, USA!

**LOOK! NO CHAINS!
FLUSH TAILGATE WITH HANDLE**

The handle is inside the bed so the outside has a smooth, flush look, like the look of a fleetside tailgate with a smooth tailgate cover. Link Assemblies and Latches must be purchased separately for this part. The Flush Tailgate is made of 16 gage electro-galvanized steel. Available with or without Bowtie embossment on the outer surface. **Installation of this part requires modification to bed sides.** Customizing kit is included to convert your current bed sides to work with the handle and latching mechanism. **MAR-K™** bed sides are also available with custom bed side upgrades that have the latch mechanism already installed. See part number 102805.

Bed Side Upgrade - for MAR-K™ bed sides

102805	HOLES FOR MAR-K FLUSH TG W/HANDLE	56.00 ea
--------	-----------------------------------	----------

Parts (in blue on page 58) with the Chevrolet or GMC script or Bowtie emblems including the Embossed and Louvres Bowtie tailgates are GM Restoration Parts made by MAR-K Specialized Mfg., an authorized General Motors Licensee. Made in Oklahoma City, USA.

TAILGATES FOR 58-66 GM FLEETSIDE - NO CHAINS - WITH HANDLE AND LATCH

MAR-K™ now makes custom Fleetside tailgates which use a handle with latches and stainless or steel link assemblies to open and close the back of the bed. Instructions are included. The latches are inside the tailgate ends with only the center handle visible on the inside. This tailgate is perfect for those who want the traditional tailgate without the chains, which are noisy and sometimes damage the paint finish. Made in Oklahoma City, USA. Included with the tailgate is a customizing kit to convert stock bed sides to work with the latching mechanism and links. Made of 16 gage electro-galvanized steel. CHEVROLET and GMC scripts made with Stepside Stampings.

Please note: The original bracket that is attached to the bed sides that the pivot bolt threads into must be removed. On most trucks this bracket is bolted in place from the factory. On some GM 60-66 Fleetside trucks, however, the original bracket may have been welded in place. If this is the case, then you need the bed side modification kit, part number 100291.

53-72 FORD FLUSH TAILGATES - NO CHAINS - WITH HANDLE AND LATCH

This tailgate is for Ford fanatics who want the flush, smooth style tailgate on a Flareside truck. The handle is inside the bed, so the outside has a clean, custom look. Links available in zinc plated steel or stainless steel. Tailgates require special hinges which are included in the latch kit. Stock bed sides require simple modification, or you can order MAR-K™ 51-72 Short Flareside bed sides with the custom upgrade 103023 to install this tailgate. This custom tailgate is made by MAR-K™ in Oklahoma City, USA.

FORD TAILGATES WITH LATCH AND STAINLESS OR STEEL LINK ASSEMBLIES

MAR-K's™ custom Flareside (Stepside) tailgates use latches and link assemblies to open and close the back of the bed. The latches are inside the bed so the outside has a clean, smooth look. Choose from stainless or zinc-plated steel link assemblies. Made in Oklahoma City, USA. Included with the tailgate is a customizing kit to convert stock bed sides to work with the latching mechanism and links. MAR-K's™ 51-72 bed sides are available with an upgrade (#102849) to work with the 53-72 tailgate with latch and link. Now in Ford Script for 53-72!

TAILGATES FOR FORD AND DODGE

DODGE 48-85 UTILINE (STEPSIDE) TAILGATES

MAR-K™ makes Dodge Tailgates that fit 1948-85 Dodge Utiline (Stepside) Pickups with 54" or 49" wide beds. These have the embossed pattern without the script and are made of 16 gage electro-galvanized steel in Oklahoma City, USA. Includes accurate bends and dimensions. The 54" tailgate is a reproduction of the Dodge 1972-1985 original tailgate and is made to work with MAR-K's™ Dodge Li'l Red Express trim board set which is sold separately. Chains, page 64 and hinges, page 56 both sold separately.
