GM 55-59 Carpet Sill Plate - Front

GM 55-59 Carpet Sill Plate - Center

CARPET SILL PLATES

The Carpet Sill Plate is made to fit around the step opening of the cab. This trim is stylish and functional, as it holds down the carpet in your cab much like the later models. It is made of billet machined aluminum, polished bright. Includes stainless steel hardware for attachment to the cab floor and instructions. Made in Oklahoma City by **MAR-K™**. Plate for GM 47-54 sold as each (requires 2 per truck). This sill plate may be used with the later model GM 50-54 style door seal rubber, ordered separately. Front plate for GM 55-59 sold as a pair and a center plate sold as each.
