MAR-K™ Flush Smooth Tailgate and Rear Pan

FLUSH TAILGATES FOR GM STEPSIDES

For custom applications on 40-87 GM stepsides, we make a double wall tailgate which is smooth both inside and outside. The appearance is similar to a smooth tailgate with a cover. Same great **MAR-K™** quality as all of our other tailgates. It is available with or without Bowtie embossment on the outer surface and with or without chain latch brackets for GM 54-87. Made in Oklahoma City, USA!

HINGES AND TRUNNIONS

TAILGATE HINGES

Tailgate hinges are used at the base of the tailgate for opening and closing. They bolt to the bed side and have a cylindrical part that fits into the tailgate allowing it to rotate.
