COMPLETE BED SIDES -

- MAR-K makes quality reproduction bed sides for 34-87 GM Stepsides and 51-72 Ford Flareside pickups.
- We use 16 gage electro-galvanized steel to form the bed sides.
- MAR-K bed sides are made in Oklahoma City, USA!
- A complete GM bed side is made up of the bed side panel, the front and rear stake pockets, and the steel angle strip.
- A complete Ford bed side is made up of the bed side panel, the front and rear stake pockets and front and back extension panels.
- Sides are ready to primer and bolt together. We provide holes in the bed sides for fender installation.
- Bed sides can be ordered with or without the stake pocket hole, which is the large square hole in the top of the side above the stake pocket.
- Bed sides are also available with or without the chain latch for custom applications.
- **Bed sides ship by Motor Freight and must be prepaid.**

CHEVY CAMEO/GMC SUBURBAN BED SIDES

BED SIDE UPGRADES

MAR-K now offers ways to customize your GM Stepside and Ford Flareside bed sides. *Upgrades* allow you to change the way a bed side is made to better fit your needs. Eliminate the latch on your bed sides or give yourself shiny stainless angles. Whatever you choose, you can have bed sides "your way" at **MAR-K!**

WITH MAR-K LATCH PIN

GM PA/RH SIDE FUEL HOLE

Be sure to mention the upgrade part number for EACH bed side when ordering parts. You need to order two (2) of each upgrade for a pair of bed sides. Allow additional time for delivery. Custom parts are not returnable. Ford Flareside Up-

grades are found on page 44.

TECH TIP: FORD BED SIDES - Ford front bed panels are always bolted to the bed side at the top angled surface (two bolts on each side), and riveted or bolted or welded at the vertical surface. Customers drill their own holes or weld them to the front bed panel as they see fit.

BED SIDES ARE SHIPPED BY MOTOR FREIGHT AND MUST BE PREPAID.
