

A MAR-K™ employee holds this battery tray assembly for GM 67-72 while the polishing wheel buffs it to a shine.

### GM BATTERY TRAYS AND HOLD DOWNS

- Battery trays available for 55 2nd-72 GM trucks.
- MAR-K™ 55-66 battery trays are made in Oklahoma City, USA, with all original lines and holes. Our 67-72 battery trays are approved import parts.
- These stainless steel battery tray parts are excellent reproductions of the original.
- They include holes for mounting, as well as a center drain hole.
- MAR-K™ also makes the battery hold down.
- Hold downs and hardware kits may be purchased separately in stainless.

The battery tray assemblies for **55 2ND-57 GM** are made of polished stainless steel. Notice the detail of the lines and the bends of the assemblies. These bolt to the fire wall through predrilled holes.

Drain holes are also drilled in the tray. Battery hold downs and hardware are sold separately.
